DETAILED ACTION

Priority

Receipt is acknowledged of papers submitted under 35 U.S.C. 119(a)-(d), which papers have been placed of record in the file.

Allowable Subject Matter

Claims 13-25 are allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record does not teach nor suggest, in the claimed combination, a micromechanical switch, comprising a deformable suspension bridge, attached by support means to a substrate, wherein the support means are formed by two legs arranged between the bridge and the substrate in such a manner as to subdivide the bridge transversally into a medial segment located between the legs and two outwardly projecting peripheral segments comprising free ends, and actuating means comprising peripheral actuating means and medial actuating means enabling the peripheral segments and the medial segment to be respectively deformed perpendicularly to the substrate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
